30 DAY CHALLENGE

Want to look and feel healthier in 30 days? You can with the 30-Day Challenge System. The 30-Day System is fun, flexible, easy to follow, and backed by clinical studies proven to help you:

LOSE FAT: Starting a new lifestyle is rarely easy, but this complete system makes it simple. Follow the simple instructions and kick start your fat-loss efforts by cleansing your body of impurities, and feeding your cells the proper nutrients they need to rid your body of toxic fat, increase cellular energy and reduce oxidative stress.

GAIN LEAN MUSCLE: Aside from going to the gym, protein plays a key part in helping you trim down, tone up and get chiseled. The Myo-IsaLean Complex™ protein blend, found in our cornerstone IsaLean Shake, contains a higher whey-to-milk protein ration proven to support muscle growth and maintenance, and a higher concentration of branch-chained amino acids to fuel muscle growth and create more lean muscle mass.

CHECK THE MIRROR: After just a few days on the 30-Day System you'll start to notice a better sense of self. Continue forward with your life-changing transformation journey—it only gets better from here.

SAVE TIME & MONEY: The 30-Day System will save you big on your monthly grocery bill! Here's the value-packed system of products you'll get 60 meals from:

- 4 IsaLean Shake 14ct meal canister
- 1 Ageless Essentials with Product B (Men's or Women's)
- 1 Ionix Supreme (powder)
- 2 Cleanse for Life (powder)
- 1 Isagenix Snacks - 60
- 1 Accelerator - 60 capsules
- 1 IsaFlush - 60 capsules
- 4 WME Sticks - 1ct orange
- 1 IsaLean Bars - Chocolate Cream Crisp - 10 bars
- 1 IsaDelight Plus - 30ct (Milk or Dark)
- 3 - 5 Piece Sample Pak (GREAT TO GRAB AND GO)

If healthy aging while maintaining your ideal lean body is your goal, you will want to add additional healthy aging or energy and performance solutions-based products. These products will also help you reach your target goal faster, because they work in synergy with the 30-day cleansing and fat burning system. Optional add-ons include targeted joint health, stress relief, mood enhancement, bone health, and heart healthy solutions, just to name a few. Talk to us about what your goals are so we can recommend the perfect system for you. We especially recommend including the most complete multivitamin pack on the market, Ageless Essentials™ with Product B™.
